Youth for Climate Action

Climate change is an existential threat. Young people in Africa and Asia face its worst consequences despite contributing the least to it. Their work, education and futures are at risk. With support, training and resources, they can find a solution and secure their rightful claim to a safe planet.

Important Raffle Dates

Raffle tickets are available to purchase from Wednesday 5th July to Monday 17th July 2023. The raffle will then take place on Tuesday 18th July. Any entrants after the 17th will not be entered but the funds will still go towards Restless Development.

How to purchase and cost of tickets...

To purchase a ticket, all you need to do is pay £5 on the Big Give website. Scan the QR code to purchase your ticket. You can enter as many times as you like. For example, if you pay £15, we will give you 3 raffle ticket entries. **IMPORTANT:** to ensure we register your entry, you will need to email sales@firebrandpromotions.co.uk to let us know that you have made a donation. Without this, we will not be able to enter you into the raffle.

On the 18th July, we will put all entrants into a Wheel of Names to randomly pick the winners. Due to privacy of our entrants names, we will keep this off of social platforms and winners will be contacted directly by the Firebrand team only.

£98 could train a young person to become a climate champion, by learning about climate change and how to urge their communities to take action

£627 could support eight young climate activists to travel to and attend key local and national forums on climate change, sharing their finding and recommendations to tackle climate change.
